COWORKING AT CREATIVE GEELONG

*Creative Geelong Makers Hub, Centrepoint Arcade,
132 Little Malop St, Geelong*

WHAT IS COWORKING?

Coworking spaces are shared areas for people who want to work flexibly using digital platforms. Most coworking spaces are used by micro businesses, people who telecommute or want an 'outside of business as usual' work environment. Coworking spaces can be mostly rented hourly, daily or by the month for a fee.
